Operators and Expressions		Proficient	
String Handling		Proficient	
Testing and Debugging		Proficient	
Defining Custom Objects			Strong
Variables and Syntax			Strong

IKM assessments are designed to measure overall proficiency in a subject and depth of knowledge in specific sub-topics. This score report does not provide a criterion-referenced interpretation, pass/fail score or standard of performance. Please note that test results, in isolation, are not pure predictors of success in employment or any given role. Other indicators, such as prior experience, references and interviews, should be considered prior to any employment or business decisions.
